(KTEN) — Assistant District Attorney Jessica Underwood has now resigned her position with the 20th Judicial District.

District Attorney Craig Ladd said she had been temporarily suspended from her duties last week after being arrested on suspicion of driving while under the influence.

Underwood, 38, was cited by the Oklahoma Highway Patrol, but KTEN has not yet been able to access the record of that incident.

The 20th Judicial District serves Carter, Love, Murray, Marshall and Johnston Counties in Oklahoma.
