

ACKNOWLEDGMENT OF DEFENDANT

By signing this Plea and Sentencing Agreement, I, the undersigned Defendant in this/these case(s), agree that I have read and understand the contents of this document, and if represented by an attorney, that I have discussed with my attorney all of the ramifications or consequences of entering a plea of guilty or nolo contendere to these charges. If placed on probation, I understand all the standard and special conditions of probation that will be required of me, as is set forth in s. 948.03, Fla. Stat., and in this agreement. If represented by an attorney, I am satisfied with the attorney's advice and services and my attorney has not compelled or induced me to enter into this plea agreement by any force, duress, threats, pressure or promises. In the event that I have participated in discovery, my attorney has reviewed said discovery disclosed by the State and whether it included a listing or description of physical items of evidence. I am unaware of any physical evidence disclosed by the State for which DNA testing may exonerate me.

CERTIFICATE OF DEFENDANT'S ATTORNEY

I, Defendant's Counsel of Record, certify that: I have discussed this/these case(s) with Defendant, including the nature of the charge(s), essential elements of each, the evidence against him/her of which I am aware, the possible defenses he/she has, the maximum penalty for the charge(s) and the facts set forth in the State's information/indictment or on the record. I have not made any promises or representations to Defendant as to actual time he or she would serve if incarcerated and have explained that matters related to parole, release, gain time, etc., are controlled by the Department of corrections and the Legislature and are subject to change. I believe he/she fully understands this plea agreement, the consequences of entering it, and that Defendant does so of his/her own free will. In my opinion the Defendant is mentally incompetent. I have advised the Defendant of the mandatory cost provisions of Ch. 938, Fla. Stat. If court appointed, I have advised the Defendant of the provisions of s. 938.29, Fla. Stat., concerning assessment of costs and attorney's fees and the fact that any costs assessed therein will be reduced by any amount assessed against the Defendant pursuant to s. 938.05, Fla. Stat.

In the event that the Defendant has participated in discovery, I have reviewed said discovery disclosed by the State and whether it included a listing or description of physical items of evidence. I have reviewed the nature of the evidence disclosed through discovery with the Defendant. I am unaware of any physical evidence disclosed by the State for which DNA testing may exonerate the Defendant.
